What Comes in a Mah Jongg Set?

Every standard American Mah Jongg set contains 152 playing tiles.
While the artwork and colors may vary from one manufacturer to another,
every standard American Mah Jongg set contains the same tiles needed for play.

NUMBERED TILES

The three numbered suits are: Craks (Characters) • Dots (Circles) • Bams (Bamboo)
Each suit contains the numbers 1 through 9, with four of each tile.

HONOR & SPECIAL TILES

A Standard American Mah Jongg Set Includes:

- 36 Craks (Characters) – 1 through 9, four of each
- 36 Dots (Circles) – 1 through 9, four of each
- 36 Bams (Bamboo) – 1 through 9, four of each
- 16 Winds – East, South, West, North (4 of each)
- 12 Dragons – White, Red, Green (4 of each)
- 8 Flowers
- 8 Jokers

TOTAL 152 PLAYING TILES

What You'll Find in a New Set

- A complete set of 152 playing tiles
- Four racks with pushers
- Dice
- A storage case

Many Sets Also Include:

- Extra Flowers
- Extra Jokers
- Blank replacement tiles

Store the extra Flowers and Jokers in a separate bag.
If a tile is ever lost, a blank tile can be labeled with a permanent marker and used as a replacement.

Remember

Mah Jongg sets come in many beautiful styles and colors.
Although the artwork may differ, every standard American Mah Jongg set contains the same tiles.
